30. [   ] LIAISON I called Chuck Snodgrass, on
the staff of the House Appropriations Committee, about the Surveys
and Investigations team questions on the DDO report. He indicated that
he would like the responses by 7 April. He also said that while no
formal transmittal is necessary, we should treat these questions and
answers as something to be made part of the record, and the DCI and
DDCI should be prepared to discuss these matters.

31. [   ] LEGISLATION Spoke with Bob Carlstrom,
OMB, and informed him that the letter from Jack Blake, DDA, to
Representative Bill Burlison (D., Mo.) concerning the Freedom of
Information Act would be going forward, but that, in light of OMB's
concerns regarding suggested legislative proposals, we had changed
the language of the letter so that the portion containing such suggestions
was couched in terms of questions for the Congress to consider rather
than specific statutory proposals. Mr. Carlstrom said this sounded fine
and that he would appreciate receiving a copy of the letter. On the matter
of our proposed legislation to clarify the Agency's firearms authority,
Mr. Carlstrom said his office was in the final stages of reviewing and
approving the package, but would appreciate receiving a copy of the letter
dated 20 December 1977 which we had sent to the Department of Justice
regarding coordination of certain language changes in our proposal. I
sent Mr. Carlstrom copies of the letters on the Freedom of Information
Act and the firearms proposal.
